member responsible for the research, Professor _____ of Graduate School of

(Name in print)

_____ in University (hereafter, “the Host Faculty Member”), and the Visiting

(Department)

Researcher do confirm and agree to strictly abide by the following terms:

Term

1. The Visiting Researcher understands the purpose of the Research and participates in the Research of his or her own accord and on his [his or her] own responsibility.
2. Regarding the handling of intellectual property rights arising from any inventions, etcetera, made in the course of the Research, the Visiting Researcher agrees that “Regulations on Service Inventions of University of Electro-Communications Employees” and other regulations of University shall apply to the Visiting Researcher him/herself.
3. Regarding all know-how and technological and/or business information obtained through participation in the Research, the Visiting Researcher shall not disclose said information to any third-party (including the Supervisory Faculty Member [Supervisor]) without the permission of the Host Faculty Member, and shall continue to bear that same obligation of confidentiality following completion of his or her participation in the research.
4. Regarding the handling of the results of the Research (including the publication of those results), the Visiting Researcher shall abide by the instructions of the Host Faculty Member.

I shall participate in the Research based on my consent to the above terms.

Date: _____
